

Welcome to the never-ending story at The butterfly and the pig

"Excuse me, what's your spaghetti policy here?"

Hello and welcome to The butterfly and the pig, if you manage to read this menu all the way through and still find there's nothing you like then let us know and we'll either call you a taxi, order in a pizza or try to make you something you want. And if we have no food by the time you come to join us, then I am sorry but we have been busy or lazy, or maybe just both. Any dietary requirements or allergens known? Please let the waiting staff know if you are allergic to any foodstuffs before you order so they can advise you on your choice. And one last thing, just because things are vegetarian doesn't mean meat eaters can't eat them. Vegetables don't hurt, although there was that one case of bananas in pyjamas in 1995... anyway we digress!

Please note this is a *SAMPLE MENU* and although our main dishes will usually remain the same they are all subject to seasonality and availability. You will also find a selection of daily specials on our board.

NOTE: (GFi)(DF) stands for gluten free ingredients/dairy free option available. Please check with waiting staff first as a simple substitution might be needed to make the dish suitable for your dietary requirements. Burger buns substituted with gluten free bread: and batters substituted with gluten free flour and cider batter.
