FAQs

Are you accessible?

Visiting our venue without encountering a few stairs is unavoidable, and as we are a listed building we do not have the necessary access to our private rooms for anyone that requires wheelchair access. Most of our private function rooms are located up our spiral staircase, with toilets and baby-changing facilities on the same level. If you have any accessibility needs then you may wish to give us a call ahead of your visit to discuss how our staff can help meet your needs.

Can you cater for any dietary requirements?

Catering for many dietary requirements we had had the pleasure of hosting many of the gluten-free society's events over the last decade. But please don't think we've forgotten about any veggie, vegan or dairy free diets, there's something for everyone!

How do I book a table or enquire about hiring a private room?

You can book a table in our restaurant or Tea Rooms for up to 12 people through our website.

To book/enquire for function hire you can email our reservations manager at rm@thebutterflyandthepig.com and they will get back to you with availability, menu options and confirmation.
